Note: Please note the actual exam time may slightly differ from the above exam times, as learners will be taking the exams at STAGGERED times on the TestReach portal. For example, if the exam time is scheduled to take place from 9:30-11:30 AM, a handful of learners may start the exam at 9:15 AM and others could start their exam at 9:45 AM. However, learners would still be entitled to the full duration of the exam. Similarly, if your exam was due to take place from 2:00 – 3:30 PM, a handful of learners may start their exam at 2:15 PM and others at 2:45 PM. Again, the total amount of exam time does not change based on any staggered starts.
